# 15” to 42” LCD/Plasma TV

## Tilt wall bracket

entertainment

### Description:

- The Klip Xtreme KPM-870 offers you the comfort of your LCD/PLASMA TV safely located high up to prevent accidents, optimize the use of reduced spaces and give your areas at home or office a clean and stylish look.
- Install it easily in any wall opposite to your usual sitting arrangements, yet enjoying flexibility from its 180º swivel.
- If you constantly need to connect devices to your LCD/PLASMA TV, you’ll have plenty of space between the screen and the wall to access connections and organize cables. It is made of high quality materials to guarantee extra resistance.
